### DIFFERENTIATORS

Choosing an experienced partner with a strong record of success is your best option to achieving your business goals. When you choose RPM, you benefit from our 17+ years of intimate industry knowledge. We'll source best-fit equipment from our vendors throughout the country and you'll get quicker turnaround times and lower costs. And, when one vendor manages your entire production process—from graphic design to print, mail and shipping—you avoid communication gaps and schedule conflicts between vendors. Our long list of satisfied customers speaks for itself.
